Principal's Message:

Open House and Redistribution Party: Ms. Hankla, long-time kindergarten teacher at Rosedell, has decided to retire at the end of this school year. She is having an Open House and Redistribution Party in her classroom (Room #2) on Saturday, June 8, from 1:00 to 3:00 P.M. Rosedell families, past and present, are encouraged to stop by and say "Hey!" In return for the donation of nonperishable food items appropriate for the local SCV Food Pantry, she will be giving away lovingly used teaching resources that she has collected. Plan to attend the event and extend your well wishes.

Dance Festival – Thursday, June 6th: We will be holding our annual Dance Festival this Thursday, June 6th at 8:30am on the playground. Come and enjoy watching the challenging dances the students have been working on the last few weeks! You don't want to miss this phenomenal event!

Little Mermaid JR Musical- CONGRATULATIONS! Congratulations to the students, parents, and teachers in the Drama Club for putting on another amazing musical this year! Little Mermaid Jr marks Rosedell's 25th production! The students and staff enjoyed all the day time performances last week, while family members enjoyed the night and matinee performances! During the great after-party that started after the final performance on Saturday, PTA awarded the prestigious PTA Service Awards and pins to long time volunteers Susan Wilson and Bob Shattoe. We were even more excited to honor Marian Urdank with the rare and very prestigious PTA Golden Oak Award for her four decades of service to children and PTA! Thank you to Marian Urdank, (director/choreographer) Karen McCallon (staff liaison), Susan Wilson (program coordinator) and the MANY parent and student volunteers who made this production come to life!

Fall Registration: The Saugus Union School District is going paperless for parents to update their children’s enrollment information and to be notified of their 2013-2014 teacher. The entire process will be handled online through our student information database. What this means for you:

- A website address with access codes and instructions will be sent home with your child’s final report card.
- Between July 15th and August 2nd you may go to that site to update all of the information that you used to complete on hard copies the first week of each new school year.
- The parent student handbook with all of your parent rights and responsibilities will available on the website when you register.
- Once registered, you will be able to enter changes and updates at any time throughout the year by visiting the website.
- On August 12th after 5p.m. you will be able to log in and see whose class your child has been assigned to for the 2013-14 school year. Class lists will no longer be posted at the school.

For those who do not have computer capability or who need assistance registering online, we will have computer set up in the school office with someone to help you through the process.

Please let us know if you have any concerns or questions.

Photographing and Videotaping Students: Parents, I wanted send out a friendly reminder about not taking photos and videotaping of students on campus within the classroom or at lunch times during the school day. Parents CAN photograph or videotape during special events (plays, awards, etc.) as long as there are no restrictions on certain students in the event that cannot be photograph. Due to restrictions and parent concerns about photos being emailed or put on social media, we ask that parents do not take photos of students. Thanks!
