Principal's Message:

Elections Today at Rosedell: Today Rosedell will be an election center for our elections. Our typical safety procedures have been put into place so that students are kept away from the MPR during the school day where voters are casting their ballots. For instance, students are sent to bathrooms in pairs and closely monitored in the 20 minutes prior to school, recess, lunch recess, dismissal, and afterschool enrichment. Yard supervisors and teachers keep students on the playground and field away from the voting in the MPR. Due to our excellent facilities, Rosedell is frequently chosen as an election center and legally required to offer the service. We're proud to offer our service to our community and for students to see "democracy in action!"

SCV Final Mile Challenge –Great job Roadrunners! Congratulations to all the students, parents and staff for participating on Sunday's Santa Clarita Marathon's Final Mile Challenge! We had a great amount of Rosedell student participation again this year! Students and staff did a great job running the final mile under fifteen minutes and enjoyed getting their medals at the finish line. I would like to extend a great big "Thank You" to Mr. McGroary for working with the city the last few months as our representative making sure students had their logs in, t-shirts ordered and distributed, and helping to organize the beginning and end of the race for us. Also, I would like to thank the MANY teachers who showed up to help chaperone and run with the children! It was great to see SO many Rosedell students and staff running in their new orange shirts! We hope to be invited back next year based on our excellent participation!
