Principal's Message:

Progress Report Card Tips: Our first set of progress report cards will be sent home by Friday, November 15th. Please review the report card with your child and provide praise for their accomplishments and academic and/or social progress. If your child is having difficulty at school, ask your child to tell you about his/her grades and level of effort. Ask how your child can do better in school and how you can help your child improve his/her grades. Please make a plan together to improve areas that need additional focus and meet with the teacher if necessary. Report cards are good benchmarks to identify areas of strengths and weaknesses and to determine progress towards meeting grade level standards and goals. Congratulations to all the students on their hard work this trimester!

Veteran's Day: We hope you had an opportunity to reflect with your children upon the services our brave veterans and current soldiers offer to our country on Veteran's Day yesterday. At Rosedell, we honor all of our brave military men and women who have sacrificed greatly for our freedoms. We also salute our many Rosedell families who have sons, daughters, mothers, fathers and many other relatives who currently serve in the armed forces or have been veterans. Thank you all for your dedication and service to our country!

Common Core State Standards Parent Meetings – Saugus Union School District: The district emailed all the parents a flyer for our SUSD Community Meetings for learning about the new Common Core State Standards that are replacing the California standards. Below are the school locations for the community meetings. Please note meetings will be held in the MPR.

November 12th – Bridgeport Elementary, 6:30-7:30pm, 23670 Newhall Ranch Rd., Santa Clarita

November 18th – Rosedell Elementary, 6:30-7:30pm, 27853 Urbandale Ave., Saugus

December 11th – Cedar Creek Elementary, 6:30-7:30pm, 27792 Camp Plenty Rd., Canyon Country

Mileage Club and Final Mile Challenge: We would like to extend a big thank you to Mrs. Demak, Mrs. Nogle and ALL the PTA parents who helped the students acquire their 25 miles at school every week! In addition, they helped with the Final Mile Kick Off assemblies and worked closely with the teachers to plan the Final Mile! We couldn't have done it without your support and volunteerism!
